I. Cloze Test: 20%

Choose the best answer for each missing word in the following passages. Write down your choice on the answer sheet.

(A)

Do you become unhappy 1 clouds appear? Are you more cheerful on a sunny day 2 on a rainy day? Does the weather really cause changes in your moods?

Most of us feel that stormy weather 3 us sad, and many psychologists would 4 : rain or snow can bring on sadness 5 depression in some people. Rather than 6 blue on a cold day, for example, some people find it difficult to carry 7 their daily routine; even going to work or to school becomes a big job. In contrast, a 8 day, particularly during the winter, can make people feel happy. When the weather is pleasant, people are friendlier and more willing to help 9 . But when the weather is too hot and humid, people are 10 to become more quarrelsome.

- |                |                |                 |                |
|----------------|----------------|-----------------|----------------|
| 1. (A) when    | (B) which      | (C) where       | (D) that       |
| 2. (A) as      | (B) if         | (C) than        | (D) being      |
